PETITION TO OPPOSE PROPOSED TOXIC DUMP SITE IN PORT PHILLIP BAY

To the Legislative Assembly of Victoria

The Petition of the citizens of Victoria points out to the House that:

- We oppose the proposed dumping in Port Phillip Bay of over 3 million cubic metres of dredged toxic waste from Port Melbourne Channel, Yarra River and Williamstown channels into the proposed toxic dump site in the bay. The proposal to dump contaminated materials in our bay is very irresponsible and provides no certainty that leakage of toxins into our waters will not occur. Such a proposal is unacceptable.
- The petitioners request that the Legislative Assembly of Victoria oppose disposal of contaminated materials at the proposed Dredge Material Ground site or any other area in our bay

The petitioners request that the Legislative Assembly of Victoria oppose the proposed dump site project in our bay.
