PETITION TO OPPOSE PROPOSED TOXIC DUMP SITE IN PORT PHILLIP BAY

To the Legislative Assembly of Victoria

The Petition of the citizens of Victoria points out to the House that:

- We oppose the proposed dumping of over 2 million cubic metres of dredged toxic waste from Port Melbourne Channel, Yarra River and Williamstown channels into the proposed toxic dump site in the bay. The toxic dump proposal in our bay by the authorities is very fool-hardy and certainly not hole-proof to toxic leakage in our waters. Such a proposal in unacceptable.
- There is no EPA approval for the Port Phillip Dump Site. The Port of Melbourne Authority has no authority to dump hazardous waste in Port Phillip Bay, and has no approval to acquire the land for the site..

The petitioners request that the Legislative Assembly of Victoria oppose the proposed dump site project in our bay.
